Mahogany*

Oak*

Dark Oak*

Cordovan*

Red*

Yellow*

Orange*

Black*

Note: The printed color stains are shown as they would appear on simulated red oak. However, as wood is a natural material, slight variations occur in texture, color grain configuration, and stain acceptance. Because of this we are unable to guarantee stains will be an exact match to the colors in this brochure and suggest stains are tested on the wood they are applied on before making a final color selection.

*Indicates M.L. Campbell Ready Made Packaged Color

M.L. Campbell has developed and designed the WoodSong® II High-Performance Stain System to give you complete flexibility of color, workability, and application by offering you the right products for a specific job or shop environment. These formulations were also designed to provide you with a better work environment by keeping HAPs and VOCs at the lowest possible levels.

WoodSong®II High-Performance Solvent Stain System consists of the following products:

WoodSong®II
Spray and Wipe Stains

WoodSong®II
Low Solids Compliant Stain

WoodSong®II
2.5% Spray Only Stain

Amazing Stain™

WoodSong®II High-Performance Stain System consists of the following GREENGUARD® certified products:

WoodSong®II
Bio Stain Base

WoodSong®II
Water Borne Stain

Azoton™
Water Borne Dye Stains

Microton™
